149-C | Kanel

# interbois

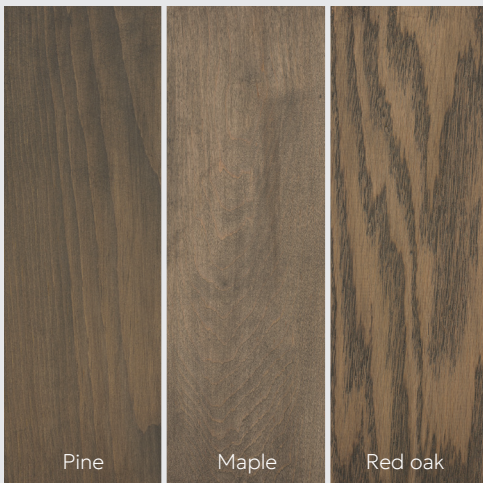

761-I | Tobakk

296-I | Gylden

160-C | Aske

135-E | Smoke

## Recommendations and warnings

Stain may show colour variations from one board to another, even within the same wood specie, due to the grain and particular characteristics of the wood. Its appearance may also vary based on the type of wood it is applied to.
